## Relocation Anticipated

Ta Ethne is in the process of identifying a city to relocate to. We have identified three possible locations for our new offices. We are looking to have easier access to international airports and become closer to our donor base. While we have had a wonderful time in Montana since 2002, our ministries have grown to the point that we need to expand. Thanks to technology, those volunteers who currently help us will be able to continue. God willing, we will gain more volunteers at our new location to help us further meet the ever-increasing opportunities we have to resource Christian leaders and workers across the globe. Would you pray with us as we narrow down the location? With God's help, the transition will go smoothly and we should be functioning at 100% by the end of July.

You can continue to contact us via email, twitter, [taethne.org](http://taethne.org) and facebook. We are not anticipating any disruption of ministries during our move thanks to our volunteer network. Thank you in advance for your prayers and donations.

## Testimonials

Ta Ethne is looking for testimonials from you, our partners. Perhaps a book has inspired you or your small group is using our training materials. You may have downloaded a podcast or been a frequent visitor to our blog. We would love to hear from you about how we have ministered in your life.

Some of you have been kind enough to leave reviews on Amazon, Goodreads and other sites and still more have re-tweeted many of our tweets. We thank you very much for this support.

Your testimonies are powerful and bless us when we hear from you. Many times, your contact with us provides us with an answer to a prayer or helps us develop new material. Just this week a brother in Peru spent a few hours chatting with us via Facebook. We desire to hear from you – our brothers and sisters.
